

REACT

Specialist Cleaning

Sodexo Core Vendor for Specialist Cleaning Services

REACT is the extreme cleaning company that goes beyond the everyday to tackle cleaning problems that non-specialists just can't cope with. And we do it every day.

We are experts in deep cleaning and decontamination services, from trains to hospitals, and universities to courts. We do what others can't do – going beyond everyday cleaning to deliver a specialist service across all sectors, whatever the challenge.

Our highly trained, specialist teams can deliver high standards of pre-planned cleans as well as incident-based cleaning to resolve sudden emergencies.

Using our services is a guarantee of a job well done and quickly executed. It safeguards our client's reputation, bringing the peace of mind that comes from knowing the health and wellbeing of their staff, suppliers and customers is in safe hands.
