REACT GROUP PLC, (AIM: REAT.L) a leading specialist cleaning, hygiene and decontamination company, is pleased to announce it has been awarded an incremental contract to provide pre-planned maintenance and deep cleaning services at a new location in the South West of England for one of the Company's existing tier-1 customers operating in the rail sector.

The initial contract covers the next 22-weeks through to the customer's contract period year end and is worth a little over £150k; the equivalent of c. £360k per year, which is believed to be just the initial value of this incremental engagement.
